**Sino-Corrugated 2009, an exclusive opportunity to comprehend the global corrugated industry in China.**

Sino-Corrugated 2009 is one of the largest and most authoritative corrugated trade events in the world which, will be held at Shanghai New International Expo Center, China from 7-10 April, 2009, occupying a total area of 60,000 square meters.

Sino-Corrugated 2009 has attracted the global market leaders including, BHS, BOBST FOSBER, MARQUIPWARDUNITED and EMBA, etc., showcasing state-of-the-art products and technologies. It is expected that 800 Exhibitors will bring more than 1100 corrugated equipments from local and abroad to attend the Sino-Corrugated 2009 show. New solutions for the process of paperboard and carton box making will be unveiled during the event.

As a one-stop platform, Sino-Corrugated 2009 will provide complete comprehensive market information on corrugated carton industry, unveiling new technologies, new equipments and new concepts. The hot topics and themes for the industrial forums, seminar and relevant symposium, are designed to enrich and educate carton enterprises to be at the fore front of the industry.

At same time, Sino-Corrugated 2009 has gained the coordinated efforts and support from the overseas renowned associations including ACCA, TAPPI, CBMA, HKCPMA,

MACCMA, PICCI and TPCIA, etc., which has cemented Sino-Corrugated 2009 as an international industrial interchange platform.

As a biennial global event in the corrugated industry, the organizer of Sino-Corrugated 2009 will build a convenient, effective and mutual beneficial communication bridge among exhibitors and buyers, all of whom will be showered with infinite opportunities and gains. It is of great significance to be informed of the new technology and corrugated industry trends. It is foreseeable that Sino-Corrugated 2009 will bring about more opportunities to the global corrugated industry which is a must visit.
