

50TH CONFERENCE OF
FEDERATION OF
CORRUGATED BOX
MANUFACTURERS
OF INDIA

16-18 DECEMBER 2022
HOTEL RADISSON BLU, INDORE

Dear Colleagues,

Greetings from Team MPCBMA !

On behalf of the Organizing Committee, we welcome all the members, industrialists and professionals to the signature event of the year - the FCBM (Federation of Corrugated Box Manufacturers of India) Golden Jubilee Conference and Exhibition hosted by **MPCBMA (Madhya Pradesh Corrugated Box Manufacturers' Association)** from 16th - 18th December 2022. FCBM India is the apex body of India's corrugated packaging industry with 13 regional associations under its umbrella.

The FCBM's Annual Conference brings together the corrugated box manufacturers, its consumers, machinery manufacturers, paper mills and others associated with this ever-growing business segment. The event is hosted each year by one of the Regional Associations under FCBM. **The Glorious Golden Jubilee FCBM Conference** is being hosted in Central India by MPCBMA.

The logo is crafted in a way to reach a Futuristic Aspect and encourages individuals to achieve newer heights as they '**Script a Better Tomorrow**' to '**Rise in the Corrugated Box Manufacturing field and Excel**'. The exhibition will bring every individual of the trade closer to each other and will also facilitate one to one buyer-seller meetings enabling us to rise in harmony.

The venue of the event is **Radisson Blu Hotel, Indore**. The hotel promises an unforgettable stay with unparalleled service from attentive staff. Built in the heart of Indore, guests can easily explore Indore's cultural richness, heritage landmarks like the imposing colonial Mahatma Gandhi Hall constructed in 1904 from regional red stone, Rajwada, the 7 story Maratha style Palace built in the 18th century, and the Lal Bagh Palace, built in the Italian Renaissance Revival architecture style, both of which date back to Indore's Holkar dynasty. The two Jyotirlinga temples of Lord Shiva are also close from here.

Indore, awarded The Cleanest City of India 5 times in a row, boasts rapid industrialization, also famously known for its cotton handloom industries, temples, street food, night markets, and more.

No wonder the city is slowly becoming a preferred destination for travellers from across the country.

Looking forward to see you!

Anand
